

Memorandum

MIAMI-DADE
COUNTY

Date: October 16, 2007

To: Honorable Chairman Bruno A. Barreiro
and Members, Board of County Commissioners

From: George M. Burgess
County Manager

Supplement to
Agenda Item No. 9(A)21a

Subject: Supplemental Information - Approval to Award Contracts No. 545A and 545B and CG-01-07 for the Curbside Recycling Program – Waiving the requirements of Sections 2-8.3 and 2-8.4 of the Miami-Dade County Code Pertaining to Bid Protests

The following provides supplemental information to Item 2U on the September 11, 2007 Governmental Operations and Environment (GOE) Committee agenda. Due to the deferral of the original item from the July 11, 2007 GOE Committee meeting, the timeframes for implementation of services noted in each of the three contracts have been changed to reflect new project commencement schedules. All other items included in the original package remain the same.

The Transition Plan Chart included in Appendix A, Attachment 1, of the contracts with Waste Services of Florida, Inc. (for the collection and hauling of recyclables) and Waste Management (for recycling services) provides the timeline by which certain items will be transitioned from the incumbent to these replacement contractors. The contract with Cascade Engineering (for the 64 gallon rolling carts) has modified delivery dates to conform to the updated schedule.
